MU CHAPTER SIGMA NU FRATERNITY  
THE UNIVERSITY OF GEORGIA CHARTERED 1873

## LETTER FROM THE COMMANDER

Brothers, Family, and Friends of Mu Chapter,

Greeting from River Road! On behalf of the active chapter, it is my pleasure to share with you a bit of the prosperity we experience at Mother Mu. As we find ourselves nearing the end of another school year, I am proud to report that Mu Chapter has again achieved excellence and leadership within the Greek system as well as throughout campus. We proudly initiated 33 men into the Legion of Honor this past fall, securing our place as one of the largest fraternities on campus and extending the legacy of Mu Chapter to 2659 initiates.

Mu Chapter secures its success by recruiting outstanding men every year. Utmost importance is placed on the quality of the candidates and developing them into ethical leaders by instilling in them the values of Love, Honor, and Truth. Recruitment is where it all begins and it is what keeps this chapter strong year after year. Fall Recruitment is underway. Please take a moment and send us your recommendations for the upcoming class. You can make your recommendations via [www.ugasigmanu.com](http://www.ugasigmanu.com).

Our excellence in leadership is evident throughout campus. We have our tenth (10th) consecutive brother on the Interfraternity Council Executive Board. Our involvement in the Student Government Association, Freshman Greek Leaders, Sophomore Leadership Circle, Dean William Tate Honor Society, Order of Omega, and Arch Society continues boldly. We are proud to have brothers elected to leadership positions in most of these organizations, as well as many others on campus. Additionally, we have more brothers than any other Greek organization participating in club lacrosse, as well as many others in club soccer, water polo, and track.

*The Mu News is published twice a year by Mu Chapter (#4) of the Sigma Nu Fraternity. The Fall edition is distributed via regular mail; the Spring edition is distributed electronically ONLY. Please update your addresses at: [www.ugasigmanu.com](http://www.ugasigmanu.com).*

Academically, we had another successful semester. We finished in the top ten of all fraternities on campus with a 3.31 G.P.A. We consistently have men earn leadership roles and opportunities in the Leonards' Leadership Program and the Institute for Leadership Advancement — two of the highest academic honors in the UGA Business School.

Highlighted by our White Rose Formal in Charleston, South Carolina, our social calendar has once again been top-notch. Including Mountain Weekend in Gatlinburg, Tennessee, brotherhood poker and golf tournaments, and socials with the best sororities on campus, our brothers have stayed busy enjoying themselves and having plenty of fun.

On behalf of the Chapter, I would like to acknowledge that none of this would be possible without the support of our alumni and parents. You all have our sincerest gratitude and appreciation. We would also like to give a special thanks to our Mothers Club, known as the "White Rose Society", for hosting our G-day tailgate and providing study goodie bags during finals week. Thank you all for your continual devotion and support to Mother Mu.

Sincerely,

Max Brandon  
Eminent Commander, 2016

# FORMAL

## CHARLESTON, SC

In February, M Chapter continued its tradition of the one-of-a-kind three day White Rose Formal, in Charleston, South Carolina for the fourth straight year. The brothers of Sigma Nu enjoyed live bands, white beaches, oyster roasts, and great company, in what is remembered as the best weekend of the year by many brothers. Planned by **Connor Dillion (M 2620)** and **Ben Brooks (M 2609)**, the weekend featured a night for the ages at Boone Hall Plantation.

The black tie event Sunday night, catered by Tabouli Grill, featured live music and quite the view over Boone Hall creek. While brothers danced the night away with their dates, they made memories sure to remain with them for years to come. Commander **Leigh Stowe (M 2542)** was honored as Brother of the Year; while his date, Miss Betty-Ann Graham, was honored as sweetheart. White Rose Formal was yet again another great success and we look forward to what's in store next year.

# COMMANDERS' DINNER

ATLANTA, GA

On January 7th, the 11th annual Commanders' Dinner was held at Bones Restaurant in Atlanta. As in prior years, the purpose of the dinner is to introduce the **new Commander (Max Brandon, M 2579, Lilburn, Georgia)** to the alumni and to have the **outgoing Commander (Leigh Stowe, M 2542, Pine Mountain, Georgia)** pass along the recently acquired jeweled Commanders Pin. Also in attendance were several Mu alumni who served Mother Mu on the Executive Committee and in other roles. Following Max's State of the Chapter address, he was provided with various pieces of guidance from the alumni in attendance. Most importantly, Max was assured that as long as he leads the Chapter with vision and courage and in furtherance of our principals of love, truth and honor, Mu's alumni would stand with him throughout his tenure. He was also reminded that a legacy of 140 years as Sigma Nu's oldest continually active chapter was now his responsibility. We have great confidence in Max's leadership and vision for the future of Mother Mu.

## ALUMNI ANNOUNCEMENT:

ALUMNI: We send out the Mu News twice a year –once via email (in the Spring) and once in the Fall (regular snail-mail). If we don't have your current email address we can't send you the News. Take just a few minutes and update your information at our website [ugasigmanu.com](http://ugasigmanu.com). We do not share your information with anyone (even other brothers). We want to keep you informed with everything happening on River Road.

**ALUMNI:** Have news to share? Go to: [www.ugasigmanu.com](http://www.ugasigmanu.com) and update your information.

# AN ALUMNUS RETURNS

1958-1962

## DR. ALLEN BATCHELOR

This spring, Mu Chapter was honored to have **Dr. Allan Batchelor (M 1174)** return to the Chateau, where he spoke with the Chapter about his life experiences and time at the University of Georgia. Dr. Batchelor was enrolled as a Chemistry major from the fall of 1958 to the spring of 1962.

The Chapter enjoyed hearing stories from Dr. Batchelor's college years, as well as his time spent in the Army. Dr. Batchelor stressed how Sigma Nu surrounded him with educated and mature peers, whom without he would not have reached his level of success today. He recounted experiences with **Jerry Weaver (M 1244)** and other brothers that left a lasting impression on his life. Dr. Batchelor also reminisced on the grandeur of his favorite event of the year, White Star. The campus-wide reputation of the event along with the great memories made with his best friends during White Star, have stuck with him since.

Through Sigma Nu, Dr. Batchelor met his wife Willene Batchelor. Together, they have 2 children Holly and Cal, both UGA alumni. After graduating from the Medical College of Georgia at Augusta University, Dr. Batchelor served the Army for 2 years, achieving the rank of Captain as a flight surgeon. Dr. Batchelor later moved to Bremen, Georgia, where he fondly remembers practicing medicine and acting as team doctor for the Bremen High School football team for 10 years. Currently, Dr. Batchelor is retired and spends his time with his family and studying history and nutrition.

Dr. Batchelor's parting words to the chapter were, "For some people it's the big house, it's the expensive car, it's the high ranking job, but really what determines success is happiness." Thanks Dr. Allan Batchelor for taking time to make an impact on the brothers of Mu Chapter!

**ALUMNI: Are you interested in speaking with the Chapter in Athens? We are always looking for alumni who are interested in spending 30 or 45 minutes speaking with the Chapter. Drop us a line via the website at [www.ugasigmanu.com](http://www.ugasigmanu.com) or contact Commander Max Brandon at [maxwell.f.brandon@gmail.com](mailto:maxwell.f.brandon@gmail.com).**

# MOUNTAIN WEEKEND

2016

GATLINBURG, TN

The adventurous brothers of Sigma Nu, once again held up in the Great Smoky Mountains for Mountain Weekend. Mu Chapter occupied 20 cabins, outfitted with pool tables, hot tubs, arcade games, and flat screen. It's safe to say that the men from Mother Mu did not face as much of Mother Nature as the name of the Weekend may entail. On Saturday, brothers did everything from explore the City of Gatlinburg to hiking a few of the best trails east of the Mississippi. Brothers enjoyed the Ripley's Believe It or Not Museum, the Aquarium of the Smokies, the Gatlinburg Sky Life, and many other cool attractions in the city. It's hard to beat a weekend with great views and great friends. Chalk up another great weekend in the books, thanks to **Connor Dillion (M 2620) and Ben Brooks (M 2609)**.

## EN BEATS KA 12-0 IN ANNUAL CLASSIC CITY BOWL

On April 23, 2016, the brothers of Mu Chapter sweat it out on the gridiron in the Second-Annual Classic City Bowl against Kappa Alpha's UGA Chapter. Following in the legendary footsteps of **Alex Croy (M 2480)** and **Connor Beecham (M 2552)**, Co-philanthropy chairmen **Logan Purvis (M 2595)** and **Tyler Haaland (M 2614)** made the Classic City Bowl quickly become the leading philanthropy event at the University of Georgia, another great success.

Building on the success of the inaugural game, the Chapter secured a lead sponsor (Zaxby's), introduced a sorority banner competition and enhanced its practice schedule. Following in the footsteps of the college football bowl model, this year's game was aptly named, the "Zaxby's Classic City Bowl." Last year's event raised over \$15,000 for local charities (selected by participating sororities) – including Children's Healthcare of Atlanta, St. Jude and Breast Cancer Awareness. This year the event met its fundraising goal of \$20,000, which was distributed to charities chosen by sororities, such as Project Safe (Alpha Chi Omega), Children's Miracle Network (Phi Mu), Prevent Child Abuse America (Kappa Delta), and Breast Cancer Awareness (Zeta Tau Alpha). Alpha Gamma Delta won the banner competition; and, \$500 was sent to their philanthropy, Diabetes Research.

Offensive coaches **RJ Parrino (M 2549)**, **David Forrestal (M 2533)**, and defensive coach **Chris Cannon (M 2554)** developed playbooks, some say more complex than those in the NFL, and led the team through weekly practices. Although rusty, the team showed early glimpses of greatness while they relived the high school football glory days.

At game time, the team donned the black and gold and fans cheered from the Clarke Central High School stands. After a long fought battle that came down to a wire, two field goals and an interception returned for a touchdown put Sigma Nu atop Kappa Alpha, 12-0. The brothers of Sigma Nu would like to extend a thank you to Kappa Alpha for their participation. Thanks to all of those who supported the Classic City Bowl- we certainly could not have done it without you and look forward to seeing you at next year's game.

Visit [www.ugasigmau.com](http://www.ugasigmau.com) for additional details on this and other Chapter events, successes and rush details.

# NEW BROTHER SPOTLIGHT

## MICHAEL HEBERT

**Michael Hebert (M 2653)** is a freshman Journalism Major from Smyrna, Georgia. He attended Whitefield Academy in Mableton, Georgia. Here he is pictured with his mom Vanessa Hebert and step-dad Tom McClain.

During Michael's first two semesters he has already made a name for himself as one of the most ambitious brothers in the Chapter. Michael works for the Red & Black sports desk as sports writer covering collegiate athletic events. Michael also works alongside **Eddie Lloyd (M 2613)** in the CRU Christian ministry Greek Leaders program. Michael also worked on the Classic City Bowl's promotions committee, and played center and defensive end in the game. In Fall of 2015, Michael served as a recorder for his pledge class, and recently was elected recorder for the 2016-2017 school year, which Michael considers a huge honor.

**Michael Hebert (M2653)** with his family in the Spring of 2015.

Michael is quoted saying "My favorite thing about Sigma Nu is that not only do you grow close with people in your pledge class, but you also have an opportunity to grow close from older people as well, making the whole fraternity a very tight-knit group."

In his free time Michael enjoys playing sports, specifically basketball and football, visiting my family in Louisiana and Texas, and road trips to other colleges with my friends.

# FALL RUSH

AUGUST 11, 2016

Fall rush is in progress as we work toward filling our pledge class by early August. Although Campus (IFC) rush does not begin until August 11th, Sigma Nu (like most fraternities at UGA) holds a dynamic Spring and Summer rush program, to ensure the Chapter is able to connect with as many potential candidates as possible. Also, by beginning rush sooner, we can become better acquainted with the rushees and ensure that they are a solid match for the Chapter. Some of our most noteworthy recommendations have originated from our alumni, so we emphasize the importance of alumni involvement in rush. **If you know about any young men bound for UGA in your general area, please send us their names and contact data. You can present this data online at our site: [www.ugasigmanu.com](http://www.ugasigmanu.com).**

It is never too soon to start enlisting the next era of "Leaders with Vision and Courage." The sooner we can contact potential new individuals, the better, due to the raw competitiveness of Summer Rush. If you are interested in hosting a dinner, golf outing or other recruitment event to provide new and noteworthy experiences for rushes, please get in touch with one of our Recruitment Co-Chairs: **Allen Bagwell (M 2598)**, **Austin Luckie (M 2623)**, **Ross Uhlar (M 2642)**, **Vince Lally (M 2640)**, and **Landon Bennett (M 2651)**. Their contact data is listed on our site. On June 12, our Atlanta Recruiting Day event will be held at the Capital City Club, thanks to Mu chapter alum **Robert Durham (M 1650)**. The Recruiting Day will be instrumental in finding potential candidates, as many incoming UGA students alongside those from Gamma Alpha (GA Tech) and Theta Kappa (GA Southern) will be in attendance. In prior years, our remarkable alumni in Charlotte, Washington DC, Atlanta, Monroe, and Savannah have extended "the helping hand" to help significantly diversify our recent pledge classes. As you know, every fraternity rolls out statements extolling their alumni relations – we are proud that when we highlight our alumni involvement in rush that we can also back it up with strong action and excellent results. Thanks in advance for helping us reach our recruitment goals.

If you have any questions about Fall rush, please contact **Commander Max Brandon (M 2579)** at [maxwell.f.brandon@gmail.com](mailto:maxwell.f.brandon@gmail.com) or **Contact Allen Bagwell at (407)285-9309**.

***Please contact Allen Bagwell at (407)285-9309 with any rush recommendations.***

# SENIOR SPOTLIGHT

## SAM MCKINSTRY

Mu Chapter congratulates outstanding new alumnus **Sam McKinstry (M 2529)** for graduating with a degree in Finance this past May. Along with his degree, Sam graduated with an impressive GPA that each brother strives to match. Throughout his time at the University of Georgia, Sam excelled in all aspects of college life.

Outside of Mother Mu, Sam was heavily involved in many student groups, The University of Georgia

HEROs Foundation, The University of Georgia Student Government Association and The University of Georgia's Intrafraternity Council to name a few. Sam's contribution to the University spread even further through his leadership positions within these organizations.

Within Mu Chapter Sam served to his fullest potential. Sam served as Alumni Chairman for four semesters and Lt. Commander. Sam was cited as valuable and meaningful influence by first year students, **Christian Keeney (M 2633)**, **Hunter Michael Dye (M 2650)** and **John Ross Uhlar (M 2642)**. Sam consistently encouraged younger brothers to get involved early on in their college careers and was always willing to help edit a resume, give interview advice, or share words of wisdom to these young Brothers and in doing so left a significant legacy at Mu Chapter.

In Sam's final semester as an active brother, he was awarded the Robert E. Durham Medal of Excellence. The medal recognizes the graduating senior "who, through his vision and courage, consistently demonstrates a commitment to excellence, and whose actions on behalf of Sigma Nu Fraternity and the University of Georgia provide a worthy example for others to follow." Sam continues to act as a role model for all active brothers of Mu Chapter, even after his transition to alumni status.

Sam, will be working in Ernst & Young's transaction advisory services in Atlanta. He has also expressed great thanks to everyone within Mu Chapter that supported him during his three and a half year journey at the University of Georgia.

Congratulations Sam and thank you for your service to Mu Chapter and UGA. We wish you the best in your future endeavors!
