

**MU CHAPTER SIGMA NU  
UNIVERSITY OF GEORGIA  
GAMEDAY PARKING – RIVER ROAD ACCESS  
FALL 2009**

This season marks the first time in more than a decade that Sigma Nu has had a physical presence on River Road. In recent years, the University of Georgia and Athens Clarke County have made a number of significant changes to parking and traffic patterns on and around campus during football game weekends – including River Road.

The purpose of this memorandum is to detail (as best we know) the parking and traffic patterns relevant to River Road. See this website for additional detail: <http://www.gamedaygameplan.com/>

We look forward to seeing you and your families on Saturday!

**ACCESS TO RIVER ROAD IS LIMITED TO STUDENTS LIVING ON RIVER ROAD.**

As in prior years, the University has dramatically limited access to/from River Road. Access to River Road is limited to students living on River Road OR to individuals who have purchased a parking pass from the UGA Athletic Association.

UGA does not provide any “drop off/pick up” to individuals wanting access to River Road. Your absolute best bet is to park at the Ramsey Center and ride the free shuttle to the stadium and walk to the House.

The East Campus Road parking lot is a UGA Athletic Association parking lot on Saturdays. If you wish to park in that lot, contact the Athletic Association.

**AMPLE, CONVENIENT AND FREE PARKING AND SHUTTLE SERVICE IS AVAILABLE ON EAST CAMPUS.**

***Where to Park:***

Free parking convenient to River Road is located at the Georgia Museum of Art, the Ramsey Center and East Village dorms. These locations also provide easy access to the Loop and other easy ways home after the game.

***How to get to the House:***

Walk. The Georgia Museum of Art, Ramsay Center and East Village dorms are located approximately 1 mile from the Sigma Nu House. Approach the House from the East Campus Road (Stadium) parking lot.

Free Shuttle Service. UGA Campus Transit offers free shuttle service to fans on gamedays from the East Campus Parking Deck/Ramsey Center area. If overflow parking is needed at the Intramural Fields, then shuttles will also pick up fans at the Intramural Fields parking area off College Station Road.

Shuttles will run continuously for 5½ hours before the scheduled game time and will drop fans off at Gate 6 of Sanford Stadium until 15 minutes after kickoff. Please note, the gates to Sanford Stadium do not open until two hours prior to the scheduled game time. Return service will run continuously for two hours after the game ends. You can see the Sigma Nu House from Gate 6 – it is an excellent drop off location.
