Mu Chapter was also announced as the recipient of the Rock Chapter award, which identifies the best collegiate chapters nationwide. To be granted the award, a chapter must attain excellence across a broad range of areas of fraternity operations including academics, athletics, leadership, and service. Mu Chapter was one of five to receive the award, from over one hundred and eighty chapters nationwide.

Recently, Buck Dixon (M 2326) was initiated into the Gridiron Secret Society. He joins two other student members from Mu Chapter: Bobby McMillin (M 2283) and Clayton Cox (M 2305).

Mu Chapter is proud to share our Homecoming experience this year with the ladies of the Gamma Pi Chapter of Zeta Tau Alpha Sorority. We join the ZTA Ladies in honoring the life and memory of Mrs. Carolyn Hester, a long-time friend and constant supporter of both chapters.

Our alumni play an important role in the successes of the active chapter. Alumni advisors John Hearn and Michael Barry host a conference call with the parents of each candidate class. Our alumni have developed a mentoring network that connects our active members with alumni working in their respective fields of study. We are also proud to host our Alumni Speaker Series, which brings distinguished alumni to Athens to speak with our membership. Former speakers include Regent Robert Durham; alumni Verner Chaffin (M 621), Michael Barry, Bobby McMillin, and Joel Stern (M 2297); distinguished University of Georgia professor Dr. Charles Bullock; and a panel of active duty servicemen and veterans of the United States Armed Forces.

Our recent graduates have already made impressive strides in the post-graduate world. Two of these young alumni are currently studying at the Medical College of Georgia, and another is attending graduate school at George Washington University. We also have representation in the corporate world ranging from Credit Suisse in New York City to PricewaterhouseCoopers in Atlanta.

In addition to the successes of our active and alumni chapters, we are looking forward to the future. The following 30 candidates will soon be initiated into the Legion of Honor:
