## Spring Break

Fellow Brothers and Alumni of Mu Chapter,

As the chapter returns to Athens sunburnt and refreshed, there is an endless amount of experiences and stories brothers have to share. From the beaches of Jamaica, the streets of India, and some of the best golf courses in the country, below are some of the more notable experiences had by brothers and what Mu Chapter has been up to recently.

For five days, brothers Jack Bahr and Camp Carpenter spent their spring break in India, spreading the gospel to several universities throughout the city of Mumbai. They traveled around city and experienced a completely different culture, meeting a ton of different students and making connections that will last a lifetime.

Over spring break, brothers Kyler Roy and John Bowling spent time on a golf road trip, playing courses like Pinehurst 2, 4, 8, and Tobacco

Road. The pair loved being able to play the same course Bryson DeChambeau won the US Open on.

## Guest Speakers Michael Barry and Judge Morris

In February, Michael Barry (Mu 2071) and Judge Kevin Morris (Mu 2106) spent time with the chapter. They discussed networking and ethics in the workplace, then answered any questions the brothers asked. Various ideas were given about what to do in college to develop as men. The chapter is extremely grateful for their efforts in helping prepare us for the future.

On March 15, the chapter held their annual spring party Woodstock. La Parilla and Big boy wings attended and were serving food to those who attended the event. Local Athens bands played from 4:30 PM- 7:30 PM and opened up for Cory Smith who was the headliner of the event and came on at 8 PM. Netherworld and Mattilo also performed throughout

the night. Mu chapter and guests had a great time at the event, and are looking forward to Jam4Cam in the streets of Athens on March 29.

## Fursday Philanthropy

*Pictured (left to right): Keegan Westhoff (Mu 3017), Rowan McDougal (Mu 2993), Will Pierotti (Mu 2942), and Ryan Hohenstein (Mu 2979)*

On February 20th, the brothers teamed up with Kappa Kappa Gamma to sell hot chocolate benefiting Kappas charity. They joined Kappa at their house on Milledge and sold over a thousand dollars worth of hot chocolate on a cold Thursday afternoon. Later that night, to celebrate our success, we had a chapter social with Kappa, themed Fursday. People hit the thrift stores and went all out in fur coats, hats, and more. Fursday was such a success philanthropically and was enjoyed so much by both chapters that we plan to make it an annual tradition.

### **Alumni Networking Program**

One of the greatest advantages of being a part of such a highly esteemed chapter is the opportunity to connect with our alumni, who provide a helping hand in guiding current members toward their professional goals. In an effort to strengthen this relationship, a networking program has been created to give upperclassmen access to willing alumni that can be a resource for advancing their to-be careers. If you or anyone you know would be interested in being a readily available resource for the chapter, please email [mualumnichair@gmail.com](mailto:mualumnichair@gmail.com).

### **In Search of Speakers at Mu Chapter**

In order to strengthen the professional development of Mu Chapter, we would like to institute a speaker series as a part of our LEAD program. If you or anyone you know would like to speak at Mu Chapter to discuss your career and professional development in your industry, please reach out to [mualumnichair@gmail.com](mailto:mualumnichair@gmail.com).
